Re: John Tierney CFP®

Following a meeting of the Board of FPSB Ireland Ltd, held on 15th June, we are delighted to inform you that John Tierney has been approved for the CERTIFIED FINANCIAL PLANNER™ professional designation, a truly significant achievement.

John is now a part of a global community of almost 155,000 CERTIFIED FINANCIAL PLANNER professionals operating in 26 countries. Currently there are 304 CFP professionals in Ireland, which is expected to exceed the 500 mark by 2016!

Meeting the education requirements necessary to become a CERTIFIED FINANCIAL PLANNER™ is challenging, requiring in excess of 1,200 hours of study and preparation. Your business has gained an extremely valuable asset: an employee who has demonstrated the ability to practice financial planning to the highest standards internationally.

Your support of John in attaining the CERTIFIED FINANCIAL PLANNER professional designation sets your business apart in its commitment to the best practices and highest standards of ethics and education in the financial planning profession.

Yours sincerely,

Paul Grimes
